

Covid-19 Update - Stage 4

Standard Computers will remain OPEN.

Standard Computers Australia provides hardware/services/support to many ESSENTIAL services, including;

- Agriculture / Farming
- Transportation
- Cold Storage
- Police and other Government Departments
- Education and more...

This "Critical repair/maintenance services" gives Standard Computers Australia an exemption from the Stage 4 restrictions.

Due to the introduction of the Stage 4 restrictions and for the safety of our staff we will be implementing the following changes;

- Our Showroom will be closed to the public,
- Our Service Department will remain open for remote repairs, pick up and drop off only, any communication will be carried out over the phone,
- Onsite Repairs will be carried out online on an essential basis,
- Phone, Web and E-Bay sales will remain unchanged,
- Phone/Click and collect will remain unchanged.

There may be some delays & unfortunately these cannot be avoided. Please be patient with our staff in these unusual and uncertain times.

From Management & our incredible staff, we do THANK YOU for your ongoing support & patience.

Stay Safe.. Stay Strong.. Stay Home!
